In My Life

by John Lennon

Listen to the song and fill in the blanks.

There are _____ I'll remember

All my _____ though some have

Some forever, not for better

Some have _____ and some remain

All these _____ have their moments

With lovers and _____ I still can

recall

Some are _____ and some are living

In my life I've _____ them all

But of all these _____ and lovers

There is no one _____ with you

And these memories _____ their meaning

When I think of _____ as something new

Though I know I'll _____ lose affection

For people and things that _____ before

I know I'll _____ stop and think about them

*changed dead
loved*

*lived went
gone*

*places life
lose*

*never
friends*

In my life I _____ you more

Though I know I'll _____ lose affection

For people and things that _____ before

I know I'll _____ stop and think about them

In my _____ I _____ you more

In my _____ I _____ you more
